American hero Ryan Messano Amazing Speech to Fairfield City Council

Mon 7:08 pm +01:00, 22 Jul 2024

posted by newensign

The Edomites are our misfortune

This is Ryan Messano's amazing speech at the latest Fairfield City Council meeting on July 16, 2024. Things are looking better and better. Because of men like this, because of men with no fear, the reign of the satanic Edomite will come to an end.

Side note from Dan: Since I am duty-bound by my Father to speak the truth, dissent from Ryan Messano's view on one fact follows. Mr. Messano mentions the Jews of the Old Testament. Those were not Jews by today's standards. There were no adherents to Judaism at that time. Those were descendants of Judah, which those we call Jews today are not. We should not confuse Judahites with Jews. I'm sorry if you take this the wrong way brother, cause I agree with you on almost everything but to me God matters more than anything or anyone else so I had to just say that. I hope I did not take anything away from this masterpiece.

Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three larger pyramids refer to Orion's Belt. These three pyramids were built below the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
